## Meeting with Des Moines County Emergency Management Coordinator

On October 11, 2022 I met with the Des Moines County Emergency Management Coordinator, Gina Hardin, to discuss the CCR Emergency Action Plan, and provide information on the CCR rule and view the CCR impoundments.

This meeting started at 01:00 PM with discussions about the CCR rule and how it impacts BGS.

We walked around the ponds and discussed the pond closure project and how each pond will be closed. We discussed the process of dewatering and the dewatering wells. We discussed the 2 new stormwater ponds that will be constructed after the ash has been removed.

We discussed the every 7 day inspection requirement and the Annual Inspection requirement by a certified PE.
