From: Jim Jakubiak, Environmental Specialist

Subject: CCR Meeting with Sheboygan County Emergency Management.

On July 15, 2019 the Edgewater Generating Station Environmental Specialist and Safety Specialist met with the Sheboygan County Emergency Management Director, Steve Steinhardt to discuss the Edgewater CCR program and the Edgewater/CCR Emergency Action Plan. The following topics were discussed during the meeting:

- The Edgewater and CCR Emergency Action Plans
- Routine and annual inspections performed for CCR units at the surface impoundments,
- Emergency Action Plan and notifications,
- CCR recording keeping and public web site,
- Potential structural concerns and inspection signs,
- Edgewater past projects and future projects,

After the initial meeting, Jim Jakubiak and Steve Steinhardt drove to the Edgewater CCR Ponds and inspected the pond and landfill area. The meeting and inspection lasted about one hour.
