Subject: Certification of Closure – LAN Landfill
 Lansing Generating Station, Lansing, IA

Dear Mr. Wall:

The closure of the Lansing Generating Station (LAN) Landfill, an existing coal combustion residual (CCR) landfill, has been conducted as part of the decommissioning of the LAN. As of September 15, 2023, the closure of the LAN Landfill was completed to satisfy the requirements in 40 CFR 257.102, and the closure has been completed in accordance with the written closure plan required under 40 CFR 257.102(b). The closure was completed with CCR remaining in place, and a final cover system that meets the requirements of 40 CFR 257.102(d)(3) has been installed.

PE CERTIFICATION

	<p>I, Eric J. Nelson, hereby certify that the closure of the LAN Landfill at the Lansing Generating Station has been completed in accordance with the written closure plan and the requirements of 40 CFR 257.102.</p>
	<p>This certification is based on my review of the written closure plan posted to Alliant Energy's CCR Rule Compliance Data and Information website and my oversight of the design and construction of the final cover system. I hereby certify that this engineering document was prepared by me or under my direct personal supervision and that I am a duly licensed Professional Engineer under the laws of the State of Iowa.</p>
