Re: Interstate Power and Light Ottumwa Generating Station Bottom Ash Pond Closure Completion

Dear Mr. Watts,

On behalf of Interstate Power and Light (IPL), this letter is to provide certification as Engineer of Record, that the Ottumwa Generating Station Bottom Ash Pond was closed in accordance with the latest closure plan dated October 31, 2022 and the requirements of 257.102. Burns & McDonnell (BMcD) confirmed the closure system installation aligned with the project documents per documentation provided and compiled from SCS Engineers (SCS) as the CQA Officer for the closure of the Bottom Ash Pond. Closure was completed on June 21, 2023. This notification is provided to meet the requirements of 257.102(f)(3).

Sincerely,

Robert N. Owens, P.E.
Associate Civil Engineer
